

## JACOB NEIL BOGER FOUNDATION

Dear Sir/Madam:

This letter serves as a request for an in-kind donation from your organization to support our upcoming charitable golf tournament.

The Jacob Neil Boger Foundation, Inc. (Tax Id #: **20-4852589**) was founded in 2006 following the death of our son Jacob due to SIDS. Our mission is to foster a better understanding of pediatric illnesses including SIDS through the support of research initiatives; to encourage the next generation of clinicians and researchers through education support; to develop new methods of early detection; and to offer hope for all families, that one day SIDS will claim the lives of none of our children.

We achieve these goals by raising funds to contribute directly towards research labs, foundations, hospitals and medical schools. Since 2006 we have contributed over \$150,000 towards these goals, including donations to SIDS research at Children's Hospital Boston; donations to the Pediatric ICU of Arnold Palmer Hospital in Orlando; and donations towards Progeria and Neuroblastoma research and the Florida SIDS Alliance. While our biggest focus is SIDS research, we try to contribute to other less well-known pediatric illnesses that need research and/or treatment support. We also contribute directly to pediatric healthcare and wellness efforts in the Central Florida area.

Every year since inception we have held The Jacob Neil Boger Foundation Golf Tournament in October (which is SIDS awareness month). This year is our 6<sup>th</sup> annual tournament, and is being held October 22<sup>nd</sup> at Orange County National Golf Center in Orlando, FL. This is our single largest source of fundraising, accounting for the vast majority of the foundation's revenue. Because the foundation is run by the parents of Jacob with assistance from volunteers, there are minimal overhead costs, meaning that 95% of funds raised go towards supporting our mission. It is truly a labor of love. As such, the foundation depends on the generosity of our donors, including corporate donors who supply in-kind donations with goods and services.

We would very much appreciate an in-kind donation from your organization to help make our event a success. Attached you will find documentation supporting our request, including a registration flyer for the event, and the IRS determination letter affirming our 501(c)(3) tax-exempt charitable status.

Thank you in advance for your consideration.

Very Truly Yours,

Lisa K Boger  
President
